Alumni Notes

Mr. H. Will Nelson, formerly head of the weaving department of the school and an honorary member for many years of Omicron Pi Fraternity, was an interested spectator at the Huntington School game. He has but recently returned from “Over Seas,” where he was attached as a Y. M. C. A. Secretary to a combat division of the A. E. F.

Word has been received of the recent death of B. Moore Parker, ’04, at his home, in West Raleigh, N. C. Mr. Parker received the first Cotton Medal ever awarded at the school.

Frank Fendel, ’18, has recently received his commission as Ensign U. S. N., and has been ordered to report for three months sea duty.

Williston Departed

After staying with us for nearly a year Mr. Williston, our Y. M. C. A. secretary, has gone. His contract with the Y. M. C. A. headquarters in Boston had expired and they did not feel they could afford to pay the salary for a permanent secretary. Mr. Williston has secured a position in Hartford, Conn., as pastor of a church. While there he intends to finish his last year in the Hartford Theological Seminary.

While at Textile Mr. Williston has done much toward establishing our T. C. A. He has worked earnestly to establish it as a lasting foundation. As a token of appreciation he was presented with a small gift from members of the student body.

Envelopes Being Passed Out

No doubt within the last few days nearly everyone has been the recipient of a little white envelope in which is to be placed a contribution toward the work of the Textile Christian Association for the coming school year. The idea is a good one and it is hoped the fellows will respond generously. As in all things, if a successful work is to be carried on, money must be available. There are a number of things the T. C. A. intends to do and any contribution no matter how small will help in accomplishing a successful completion of their undertaking.

UPSTREAM DAY

Greatest Success of All Years. Largest Number Attending.

After keeping nearly everyone in agony for two days last we should be unable to have Upstream Day, Good old Sol condescended to shine and take back a great deal of the excess moisture. So last Friday morning one hundred and twenty-five in number, faculty and student body, boarded the two electric cars and started for the Martin Luther grounds situated in Tyngsboro. Arrived here, it was not long before the committee had things moving. The first event was the Interclass Relay Race, which was won by the Omicron Pi Fraternity. Jones, Bidwell, Cohurn and Washburn ran for the winning team. Immediately after the race the Interclass Ball Game was started, the results of which are printed in detail in another part of the paper. The game lasted until noon time and then came the "eats." The caterers certainly did live up to their reputation, serving a wonderful dinner. In the afternoon the ball game between the instructors and seniors took place. As is the usual custom the game was hotly contested from beginning to end. A further account of this game is given in another section of this paper. The oranges came next followed by the cigarettes. Just before supper the annual tug-of-war between the sophomores and freshmen was staged. For a while the pulling was very even, but gradually the "Freshies" pulled the "Seghies" over the line. Sugar was then served and once again the page Catering Company lived up to its reputation. Shortly after supper the return to the car line was made where the two special cars were waiting to take the happy crew back to Lowell.

Instructors Defeat Seniors, 10-9

The annual game between the instructors and seniors proved by force of habit to be a victory for the instructors. It took eleven innings, but Lape's pitching and Cash's batting were too much for them.

In the first half of the second Lape fanned McDonald and Ace, and caused Doyle to ground out weakly to pitcher. In the last half of the inning, Ace, who was pitching for the seniors, allowed no one to reach first base.

In the first of the third Lape fanned two more men, but errors allowed one more man to score. Kayser and Cash singled and Lape doubled in the last of the inning. No one scored as Kayser was caught off first, and then Mr. Enlow flied out to short with a man on second and third.

In the first of the fourth the first two men grounded out. Doyle reached first on an error, stole second, and scored on Ace's hit. Goullet ended matters by flying to Morris. In the last of the fourth the instructors got four hits, but one man scored on a wild base running.

In the first of the fifth the seniors scored three more runs on one hit and three errors. In the last half Cash singled, stole second, advanced to third on Lape's sacrifice, and scored on a hit by "Charlie."

In the first of the sixth the seniors scored on hits by Ace and Jones.

Engineering Society Elects Officers for Coming Year

The Engineering Society at a recent meeting elected officers for the coming school year. The following men were elected: Charles Farnsith, 1920, President; Michael Wokowitz, 1920, Vice-President; Russell Robinson, 1921, Secretary. Mr. Ball was re-elected treasurer of the society. The selection of these men has been a good one for they are all active in school activities and they take a deep interest in the organization.

Precourt Elected Football Captain for 1919

At a recent meeting of the "T" men "Joe" Precourt was elected Captain for the coming season. If all the regulars are back next fall we should certainly have a good team. According to the reports many hard teams are on the schedule and the team is going to need a lot of support. "Joe" says that he can answer for his team, and he hopes the student body will show as much interest as they did at the last baseball game, "Joe" has been a valuable football man, and well merits this honor. So, here's to you "Joe," and your loyal cohorts. For a successful season.

Report of Letters Sent to Alumni

The Textile Christian Association, wishing to acknowledge the interest and generosity of the Alumni makes the following announcement.

There have been received up to date contributions amounting to $304.00 and the association extends thanks to: H. A. Bodwell, A. T. Brainerd, H. W. Coment, A. D. Davis, O. D. Gay, W. O. Jelline, A. S. Leek, H. T. Malloy, H. F. Parker, T. E. Ramsdell, E. B. Rich, and S. W. Sawyer.

This fund will be largely expended by partially paying off the expenses of the group of delegates selected to represent the L. T. S. at the conference in Northfield the latter part of June.

Meanwhile the furniture in our T. C. A. room which was furnished by the War Work Y. M. C. A. will be removed unless we can purchase it before June 15. This furniture, consisting of chairs, couch, tables, etc., is quite essential to the welfare of the organization and can probably be secured for $75.00.

Contributions for the purchase of this furniture will be acceptable.

1921 Wins Interclass Athletic Cup

The class of 1921 has thoroughly proven her right to the Interclass Athletic Cup by defeating the Seniors on Upstream Day. This was the third straight win for the Sophs, having previously defeated the Freshmen and Juniors. The members of the champion team are Lemire, Sweet, Berlin, Boutron, Clayton, Washburn, Morrill, Ellis, Thompson and Precourt.
Annual Election of School Officers

At the recent meeting of the Athletic Association the following officers were elected:

President: Joseph O. Precourt.
Vice-President: Herbert C. Roberts.
Secretary: Andrew S. Orr.
Treasurer: Mr. Robert R. Sleeper.
Assistant Treasurer: Mr. Ulysses Lupien, Mr. Lester H. Cushing.

Officers of the Senior Class:
President: Charles Forsyth.
Vice-President: Waldo E. Sullie.
Secretary and Treasurer: Gordon M. Scott.

Member of Athletic Council: Paul H. Noone.

Officers of the Third Year Class:
President: Arthur Goosetry.
Vice-President: Russell Robinson.
Secretary and Treasurer: Arthur R. Thompson.

Member of Athletic Council: Thomas C. Cochran.

Officers of Second Year Class:
President: Roland E. Derby.
Vice-President: Charles Southwick.
Secretary and Treasurer: Henry L. McGowan.

Member of Athletic Council: Ralph Marble.

Show Committee:
Manager: Paul H. Noone.

Football:
Manager: Joseph A. Rice.
Asst. Manager: Russell Robinson.

Hockey:
Manager: Ernest F. McNeill.
Asst. Manager: Frank J. Broadley.

Baseball:
Manager: Charles Ellis.
Asst. Mgr.: Richard Hittinger, Jr.

At a meeting of the Nominating Committee the office of Treasurer of the Athletic Council was discussed. It seems as though the office was too great a task for one man to take care of. Several of the instructors were consulted in regard to it and upon their suggestions the committee decided to bring up the meeting of the Athletic Association the motion that the treasurer be given two assistants which resulted in the election of Mr. Lupien to take care of athletics and Mr. Cushing the "Pickout."
Instructors Defeat Seniors

The last of the sixth Andy singled. White doubled, and Herbie walked, filling the bases. Kayser fanned, but Cush slashed out a roaring single, scoring two men. Lupe singled, scoring Herbie, and Eames singled, scoring Lupe.

Lupe was now thoroughly warmed up and his curve breaking around the necks of the poor unfortunate senior who charged to come to bat. Thus, in the first of the seventh the first two men fanned and the third grounded out. In the last half the instructors went in order.

In the first of the eighth one senior saw first base, but no more. The instructors came back strong, or was it that Ace was weakening? Two walks and slashing hits by Cush, Lupe and Charlie, drove in three more runs, tying the score.

The first of the ninth the only view any senior got of first base was from the bench. The instructors lost their chance to score when Holt grounded out to Hart with a man on second and third.

In the first of the tenth Lupe again fanned two men after the first man had walked. The third man grounded out to third where Andy the mighty puffed out anything that stuck in his glove. In the last of the tenth the tail of the batting order was up and went out in order.

The first of the eleventh the seniors' chances of winning were spoiled. White made a wonderful running catch of a long fly with two down and a man on second and third. Kayser was the first man, but grounded out. Cush hit safely and stole second. Lupe landed on one of Andy's fast ones for two bases, scoring Cush with the winning run.
