"1920 Upstream" Full of "Pep"

Nearly 200 Attend

Promptly at 9 o'clock on Thursday, May 13, three first class electric cars left the school for the Martin Luther grounds in Tyngsboro. On board was all the necessary paraphernalia for a successful outing. As usual the weather was in a doubtful state of mind, but this did not seem to dampen the spirits of the gang in any way.

On the way up the main idea seemed to be to throw something at somebody else, and the only fault that could be found with this was the fact that some of the missiles were chosen very unwisely, much to the detriment of the looks of those cars. Next year the committee should insist on open cars, and then all such things as broken windows, etc., would be avoided.

As each car passed thru the square they gave a good Textile cheer, just to let the folks down town know that something was up. When the cars reached Mr. Smith's residence everyone got off, and a good cheer was given him, which he acknowledged by removing hat and saying that he wished he was going with us.

The cars then proceeded on their way, only to be passed by Whittier on his motorcycle with a dummy dragging along behind. "Whit" said he knew that the Freshmen would be so disappointed when they found that Mr. Hull was not going to be there (he being away on his annual visit to some plant nearby), that he just brought this representative along to try and appease some of their sorrow. The Freshmen showed their appreciation, and when the gang arrived at the grounds Mr. Hull's effigy was given a grandstand seat, by being hung up on the flag pole, all present being requested to uncover.

By this time the sun was on the job and continued to act through the day. There were many localized showers, however, and very few escaped getting more or less moisture on them sometime during the course of the day.

The first thing on the regular program was the Freshman-Sophomore baseball game. The Sophs started well, but that was about all. The Freshmen won an easy victory, and produced a new box-artist in the person of Blanchard, who was very effective.

The next number was the relay race and this proved to be very exciting, as there was hardly a foot between the

Textile Defeats Colby

NINTH INNING BALLY BRINGS HARD Fought Game to End
SCORE 4 TO 3

Just when it seemed almost inevitable that the Lowell Textile-Colby college game must go into extra innings Clifton smashed a line single into centre field, scoring D. Sullivan with the run that broke a 3-3 tie and allowed Textile to tuck away a hard fought and well coached game of ball by the score of 4 to 3.

Fighting shoulder to shoulder for eight innings, Textile came in for the last half of the ninth and hammered out a victory. D. Sullivan prised off the lid with a hit to deep right which went for two bases. Whittier's bunt went for a hit, Sullivan advancing. The latter bungled third while Doran slid to short left field. With the count two and two on Clayton, the local short stopped single hard over Goode's head, scoring the winning run.

It was one of the best games of the year locally. The Textile team gave C. Farwell sensational support, while at the bat, they built up runs for him to work on. Twice Macher at third base slipped in bad throws, but he more than evened up by his work on hard hit balls. His best effort came in the eighth frame when he pounced on a spinning ball that had ricocheted off Farwell's glove and by a lightning throw got the runner at first.

Colby started off in a business-like manner when Taylor, the first batter, dropped a double down the left field line. He went to third on a wild pitch and scored on Goode's single to centre. A. Sullivan got on and stole, but was left when Greenlaw fanned.

Textile got the run back in its half. Macher crashed one through a second-story window in the school for three bases and scored a moment later when Fras booted Beavers' roller. Scott sacrificed, but Forsaith and D. Sullivan could not lift the ball through the infield.

Colby scored again in the second. Wills walked and was sacrificed along by Williams. Laupher flied out, but Brooks spoiled a hit to left on which Wills counted.

The Maine collegians held this slender lead until the fifth, when hits by Doran and Clayton again tied the score. Textile forged ahead in the sixth when Scott drove the ball over the school roof. It was a prodigious hit and seemed to be still rising when it disappeared from view.

With a man on in the seventh, Macher gave Colby a run when he threw wild to second in an effort to complete a

Textile Breaks Losing Streak

SEVENTH-INNING Rally NETS THREE Runs and 5 TO 3 VICTORY OVER "TECH."

The Textile school baseball team broke its losing streak when it defeated Massachusetts Institute of Technology, 5 to 3, on the Textile school campus. A rally in the seventh which netted three runs saved the game for Textile. Whirlwind fielding by Macher and Scott's hitting were the features of an interesting game.

M. J. T. started off fast, bunting three hits and scoring two runs in the first inning. In the second there was no scoring but in the third Textile broke the ice when a single by Scott and a two-bagger by Forsaith scored a run. A base on balls followed by an error and a hit in the first of the seventh produced a run for N. J. T. Then Textile broke loose with its winning rally.

Clayton started the fireworks and after Farwell struck out Macher knocked down a two-bagger and on a close play at home Clayton slid in with

NORWICH UNIVERSITY DEFEATED 5 TO 4 IN HOTLY CONTESTED GAME

Lowell Textile baseball team won a hotly contested game Saturday afternoon by defeating the strong Norwich team, 5 to 4. The winning run came in the last half of the ninth when Scott of the local team, with a three-bagger, scored Beavers.

Textile took the lead in the first inning when Scott laid out a double and then scored when Mahor of Norwich failed to stop Forsaith's fast grounder. Clayton showed some fast fielding in the second inning when he put through a double play to Scott.

Norwich tied the score in the third inning when she bunched two hits after an error. This lead lasted for only one inning for Norwich tied the score again in the seventh by the aid of a couple of errors and Mathew's three-bagger.

The local team made another run in the eighth but Norwich evened up the score in the first half of the ninth after C. Farwell of Textile had been replaced by his brother, Ralph Farwell. Harrington's sensational steal home scored Norwich's last run.

The climax of the game came in the last half of the ninth when after the first two men up had struck out, Beavers laid out a single to centre field. Scott, Textile's heaviest hitter, nobly responded to the cheers of his teammates when he met the second ball pitched to him and scored Beavers and the winning run with a long three-base hit to the centerfield fence.

There was a large crowd of college men and their friends at the game.

ALUMNI NEWS

On the evening of April 6th, Bountiful Hyde Foster, L. T. S., was married to Margarette Hull Revrotch at the home of the bride, 120 Heller Parkway, Newark, N. J.

Foster was at Lowell from 1913 to 1917, where he received the degree of B. T. E. His home was formerly in Texbury, Mass., from where he returned to L. T. S.

After finishing school Foster accepted a responsible position with the United States Rubber & Tire Co. in their Research Laboratory at Newark, N. J.

It is here that he is now employed and has made marked success, having several of his own inventions in operation in testing tire fabrics. It was in Newark that Foster met Miss Revrotch who became his bride.

Several L. T. S. Alumni were present at the wedding including Judy, '94; Cook, '13; and Colby, '13; the latter being the groom's "best man."

The bride and groom will soon be located in their new home at Orange, N. J.

H. E. Lawrence, Textile, '17, who is now located with the Crompton & Knowles Loom Works, was renewing old acquaintances at school last weekend.
BASEBALL NEWS

The T's in accordance with the new constitution, will be awarded by the coach soon, and when certified by the athletic council the names will be posted on the bulletin board.

As soon after this as possible the team will meet and elect a captain for next year.

The banquet and sweaters will not be distributed until next fall.

All equipment should be turned in as soon as possible. If you do not turn it in it means added expense for the A.A. next year, therefore you should see that it gets back immediately.

THE ENGINEERS' NEW CHEER

Yells, snare, bells, yells, Hurrah! for the Textile Engineers. When you chemists, you wool men, you cotton men get stuck, don't begin to pass the back, just call on the Textile Engineers. We've solved your problems for the last ten years, Hurrah for the Textile Engineers, Course VI! Course VI! Course VI!

FOOTBALL MEN TO REPORT SEPTEMBER 15.

At a meeting of the football men held last Wednesday, it was decided to start practice September 15. This means the return of the football candidates at least two weeks previous to the opening of the school in the fall. But without doubt the early return will prove very favorable to the football squad, as they will be fully under way when the first game comes. In the past, the squad has been severely handicapped by a late start.

McWear-Robinson is arranging a very fast schedule. Already he has had Worcester Tech., M.I.T., Con., Central Sci. in addition to several other college teams.

The men who expect to return early are: Capi, Gooney, A. Gooney, Marble, Maglar, Hubard, Wentworth, Curve, Precision, Pedigree, as well as several other talented men this year's squad. Some who have not made known their intentions of returning early are reported to do so before leaving for the season.
Textile Defeats Colby

double play after he had made a one-handed stab of Brooks' driving liner. A double play nipped a Colby threat in the ninth and then Textile went in to win as described above.

Junior Dance

On Thursday evening, May 20th, the Juniors held their dance in Colby Hall. It was a most successful social affair and was attended by forty couples. The hall was very appropriately decorated with streamers, school and fraternity banners. In the intermission light refreshments were served, and the punch bowl was flowing throughout the evening. The music was furnished by Mounty's Orchestra of Lowell, and all will agree that they were most generous with encore, so much so in fact that all the dances could not be played for lack of time. The patrons and patronesses were: Mr. and Mrs. Charles H. Eames, Prof, and Mrs. Louis A. Olson, Mr. and Mrs. Lester H. Cushine.

Textile Breaks Losing Streak

(Continued from Page 1)

Textile's second run. A short hit by Beavens advanced Macher and on a hit-into-run play at home safely. Then Beavens scored on a wild throw, making four counts for the local team. In the eighth inning Doran scored the fifth run for Textile, and M. I. T.'s failure to push another man across home left the final score 5 to 3. Farrell, the Textile pitcher, was credited with eight strikeouts, while Krog of M. I. T. made 11. The score:

(Continued from Page 1)

first two men at the finish. The teams finished in the following order:

1st. Omicron Pi
2nd. Phi Psi
3rd. Sigma Omega Psi
4th. Delta Kappa Phi

As the Seniors had beaten the Juniors in a baseball game the previous Saturday, it was decided to play for the championship at this time. Five innings went by quickly, with the score at the end of these five innings being tie. The seniors were at bat with three men out, and one out when the call for dinner came. The game was called where it stood and everyone rushed for the grub. The feed this year was just as good as usual and anyone who did not get enough to eat had only himself to blame. The tables were cleared in the usual rapid manner, and the slow eaters were forced to retire under a barrage of ice cream, biscuits, etc., etc.

One of the features of the day was the presence of the County School Boys' Band. They furnished plenty of music and added much to the spirit of the occasion.

At dinner after the game the annual Instructor-Senior game was played. The Visitors were slightly off their customary form and contrary to their boast of never losing this game, they went down to defeat. The final score was about 23-2. We say about 23, for when the score keepers saw the way the game was going they got tired of their job. This game did not last the usual nine innings but until both parties became thoroughly exhausted. The playing of Mr. Esnue for the Visitors certainly featured as he caught several difficult flies without an error.

Then came the tug-of-war between the Sophs and the Freshmen. The teams of twenty each were selected to do the pulling, and when they had gotten fairly underway the rope broke, and there was a rapid separation of the two teams. The teams were then cut to fifteen in order to reduce the stress, but even this was too much for the rope and it broke a second time. The number was then reduced to ten, and the rope held. For over a minute neither side gave an inch, and then the Sophs remembering their defeat in the morning pulled with renewed vigor and the Freshmen were pulled across the line. The moral of this tale is to get a stronger rope next time.

Baseball completed the afternoon's fun and then after a picture of the whole gang was taken, a lunch was served and we walked back to the electric. While waiting on the village square for the cars, Murphy proved himself to be a very good leader, and soon had the gang singing, and the band accompanying in many old and new songs.

The ride back proved to be much less eventful than that coming up for the obvious reason that most of the pep with which the crowd started had been expended during the course of the day. Thus ended another grand and glorious UPSTREAM. The 1920 Upstream will be a tough one to beat.
