New Students, Machines Fruits Of LTI Atlantic City Exposition

Clipped from the Atlantic City Exposition, the Atlantic City Exposition was the greatest event of the year. The first major event of the season was a tremendous hit in the arm and leg of the students. The students, who had been told to expect a tremendous hit in the arm and leg of the students, were treated to the exposition.

Professor Skinkle

Professor Skinkle, at the present time, is teaching in the department of Business at the University of Michigan. He has been a member of the faculty for the past 27 years. Skinkle received his B. S. degree from LTI in 1928 and has been a member of the faculty...

Research Foundation To Move Into Cummock Hall; Expansion Seen

The entire Research Foundation is in the process of moving into Cummock Hall. The new situation with the new facilities will provide the necessary expansion and upgrading of the facilities.

Employers by the Foundation, at the present time, are 24 full-time professional. In addition, the staff includes 15 to 20 faculty members. During any one month 24 undergraduate and graduate students are also employed by the Foundation.
The sun is shining and the temperature is cool, it would be the last day to take advantage of the fall weather. The campus is alive with activity as students prepare for the last day of classes.

The Student Council has organized a variety of events to help students destress and enjoy the last few days of school. The council has planned a bonfire, a movie night, and a talent show to bring the community together.

The bonfire will be held on the quad on Friday evening, and the movie night will be held in the gym on Saturday night. The talent show will be held in the auditorium on Sunday afternoon.

The council has also organized a variety of service projects to help students give back to the community. The service projects include volunteering at the local soup kitchen, cleaning up the park, and hosting a toy drive.

The Student Council hopes that these events will help students enjoy the last few days of school and give back to the community.
