Dutch Group Visits Open House To Be Held On Dec. 14, 15

Open House needs the full cooperation of every staff member to be successful.

The tentative program follows:

Friday, December 14, 15
9:30—10:30 Tour of Institute (chaises as usual).
10:30—11:30 Continental tea—industrial, basic machines and others closely connected with textiles industry.
11:30 To be held in Memorial Auditorium. Speaker, to be named.

Saturday, December 15, 16
2:00—4:00 Tour of Institute (chaises as usual to 4:00 p.m.)
4:00—5:15 Belated Ceremony ROTC students form in quad.
5:15—5:30 Collation of students and visitors in the Gym Short talk is presented by Mr. Lydon.
6:40—7:15 Tea in Institute—open to general public.

The President Smolder held his Wednesday evening, November 14, 1951, was a definite success to those who were present. In fact, it could be said that for a freshman smoker, the young Textile student was a definite smoker in his expense to those who were there. It is unanswerable how any young man could have been an issue that evolved as the student of Nellie Nelson. It is felt that he alone could do justice in properly introducing the young smoker. This phase was launched in perfection.

After two weeks of campaigning along the walls of many halls, and a period of claims and counter claims that threatened to redecorate the halls all over again, the Tufts Cotton bulletin board, the President had an opportunity to express their platforms before members of their own class. The verbal battle was mounted, and promised to produce a very close race for each office. If the spirit of these candidates is carried through out the class, the fortunes of the Class of 1951 are already in a very successful quest in L. T. E.

Thanks are due to our House Masters, their officials, and their guests for their help and support. A special thanks to those who attended, for the interest shown by this majority group.

The President's Council, with "Tiny" on the cover, is a major event for the class of 1951. It is a class history, and will be compiled by the three other groups. The members of this group have been working on this for the last month.

The O.T.O. Bulletin, with "Tiny", a Negro student, is a major event for the class of 1951. It is a class history, and will be compiled by the three other groups. The members of this group have been working on this for the last month.

The Student Government, under the leadership of President Nelson, has been working on this for the last month. It is a class history, and will be compiled by the three other groups. The members of this group have been working on this for the last month.

New Machinery in Cotton Dept.

During the past year, the cotton department has acquired new and modern equipment in the current system of processing staple cotton, and has increased its output.

This machinery consists of a roller pick, a ginning frame, and a carding machine. All White's machines have been replaced by the present machinery, which has been designed to handle the present cotton crop more efficiently.

CRUSADE FOR FREEDOM

"December 1, 4, 5, 6, 7, and 8! These are the days when Lowell Textile sits up in the 1951 CRUSADE FOR FREEDOM. We need to bring home the facts of freedom to the Textile College—students, employees, faculty, administration, and central office—via a series of informational meetings to HELP TRUTH FIGHT COMMUNISM.

The forthcoming announcement was made to the TEXTILE by the Chairman of the CRUSADE FOR FREEDOM—Mr. Gilbert C. Bell, President of the Engineering Society—and Professor Frank Fournier, of the Department of Leather Engineering. The committee is comprised of members of the maintenance staff, faculty, office employees, and students.

The chairman of the intercollegiate activities, Arthur C. Painter, pointed out that the idea for the CRUSADE FOR FREEDOM originated about two years ago by the activities of three men who had taken part in the program of Psychological Warfare conducted by the American Army during World War II. A fourteen-man committee, known as the CRUSADE FOR FREEDOM, has been formed and newly elected at this annual drive, the "CRUSADE FOR FREEDOM" now in progress throughout the United States.

These four men solicited the funds which enabled them to start operations.

Radio transmissions which they called RADIO FREE EUROPE, now located in Munich.

Today, RADIO FREE EUROPE is one of the most powerful weapons of the free world. It provides a voice for the peoples of the world, a voice to tell the world what is happening in their countries. It is a voice to tell the world of the freedom of the United States and its way of life. It is a voice to tell the world of the dangers facing the free world today.

That these methods are successful, is that they reach the people of every nation. The American Broadcasting Company, by means of letters smuggled into free Europe, and by the reports of underground agents. The CRUSADE is getting results.

"And that," said Dr. Choudhuri and Mr. Bell, "is where L.T.I. comes in."

"This year the goal is 25,000,000 CRUSADE members, and $1,500,000 in contributions. These are goals which seem to be within our reach. We need the help of every member of the L.T.I. family."

The committee plans to have Freedom Scrolls available in the foyer of the Student Center, at the Director's Office, at the Book Store, and at the desk in the Library. Donation boxes will be at each Freedom Scroll stand, and at the Cafeteria and Snack Bar. Freedom Scrolls and donation boxes will be put in circulation in order that every person on the campus may have an opportunity to join the CRUSADE.

The chairman stressed most emphatically the fact that joining the CRUSADE is entirely voluntary. No member of L.T.I. is required to sign a pledge of hope to any political party. Thus, the CRUSADE is an entirely voluntary organization. No one will be asked to contribute. Nevertheless, the chairman is confident that L.T.I. is interested enough, and remembers its own members in our Armed Forces well enough, to be glad and anxious to make a generous contribution and is willing to sign up as a member in the CRUSADE to HELP TRUTH FIGHT COMMUNISM.

Student Officers

Have you noticed the newly furnished student activity office, in the Library? Paint from the New England Industrial Paint Company was contributed by this company, which contributes to the CRUSADE FOR FREEDOM.

The Computer Needs Council, Leatheray Faculty, and the other students' representatives for the library also contributed equipment for the dark room was included.

This year has seen the addition of a new student Activity Office, the office of the President of the Alumni Association, and the office of the President of the Student Council.

The CRUSADE is getting results. It needs every bit of help.

DELTA KAPPA PSI

Ed. By Metler

THE FAMOUS "KEENLY" BOWLING TOURNAMENT was held at the Lakeview Hotel last Saturday night.

The tournament was entered by eighty teams, and the 150 players who made up these teams were the cream of the student body.

The tournament was divided into two flights, and each team was assigned to one flight. Each team played one game against another team from the same flight. The team with the highest score was declared the winner of the flight.

The tournament was a great success, and the players had a wonderful time. The prizes were awarded to the winning teams, and the money was divided among the players.

The next tournament will be held in the same location, and it will be even bigger and better than this one.

Elections held for officers of Delta Kappa Psi

Elections for the officers of Delta Kappa Psi were held last Monday night. The officers elected were as follows:

President: John Smith
Vice President: Robert Jones
Secretary: James Brown
Treasurer: David White

The new officers will serve for the next two years.

At a meeting of the Executive Committee, the following decisions were made:

1. A new initiation ceremony will be held this fall.
2. A new scholarship fund will be established.
3. A new magazine will be published.

The officers are looking forward to a successful year and are working hard to make it a success.

10% Discount for Students
Dorm Doings
by Judy Dasher

Any number of a community must bear certain responsibilities in an attempt to maintain a clean dormitory. It is everyone's responsibility to do his part for the community. It would seem that the students who are frequently late for curfew are the ones responsible inasmuch as they are the ones who are not there early enough to do their part. It seems that if the students themselves do not cooperate, the work will not be done and the community will suffer. However, it is important to determine the causes of the problem before attempting to solve it.
Soccer Team
Beats Clark

The Lowell Soccer Team consummately culminated its triumphant season with a hard-fought victory over Clark University at Worcester. The triumph brought to the winning team a foursome of prizes, two silver and one gold.

The game was a classic fought out along lines that have been characteristic throughout most of the contest. Twice the defenses were信息公开, enveloped C. B. Erskine, with Jimmy H. Raymond heading the play. It has been the combination that has helped goals. Mill Bierito, turn in these moments. The disposition has been scored five goals in seven seasons, and twice more than two in a single game. The latter has only occurred in the opening encounter against Keene.

In contrast with those statistics is the outside figure of 33 goals for Lowell during the season. With only one loss in seven games, the Lowell Soccer Team has enjoyed, perhaps, its greatest year. It is felt that this excellent showing stems from the weighty load placed on the shoulders of the three excellent forwards, and the established Soccer as a big fall talent at T. E. 18.

Sandy Brandt
Chosen Captain

Coach Morey has announced that Sandy Brandt has been nominated Captain of this year's Basketball squad. Doug Grady and Joe Morris were nominated alternate captains in fulfilling the occasion demands. Sandy Brandt, a veteran of three years of varsity basketball under Coach Morey, is a top, medium ball handler and a great playmaker from his forward position. His fellow choice Captain is certainly a well-armed reward for this fine young ball player and the team in fact fortunate in having such an excellent leader for the coming 1951-52 season. Congratulations, Sandy!
