Basketball Team Presents Coach Gift

Jersey City, N.J.—At a dinner given by the New York Alumni of Pi Lambda Phi fraternity for the entire Lowell basketball squad, the coach, Lowell's basketball, Capt. Stansfield Bird, of the 1932 squad, with a few well-chosen words, presented a handsome gold watch and chain to Coach Dave S. Meaney, in appreciation of the fine work he has done in a coaching and friendship capacity. The dinner was served in Byrnest Restaurant in Jersey City immediately after the St. Peter's game.

At dinner following St. Peter's game, Capt. Sandstedt presents gift with a few words to Dave Meaney on behalf of the players and managers of this year's club.

Textile Players To Present Show

Picture 3: "The House lights dim, a quiet descends over the audience— an expectant hush as they wait out the final numbers; the cast rises to the curtain call to reveal what has been as long in coming, it's the night of the play! Backstage the producer makes a last second check to see if everything is in place; the lightman at the orchestra pit checks his schedule; and the actors try to quell their butterflies that keep fluttering around in their stomachs. And then—ah, but that must you see for yourself!

You see, this year we think we have something very special on, the "Man Who Came to Dinner?" The play is a very special one, one that is in many ways different from any other. For some reason, it has become the talk of the town. It is a play that we have all been talking about, and we are looking forward to seeing it.

The production is being held in the Alumni Library, and we are both excited and enthusiastic about it. We have worked very hard to make sure that the show is as good as it can be, and we think that you will enjoy it. We hope that you will come and see it.

Textiles Players

This year our production is "The House of the Seven Gables." It is a play that has been selected by our Drama Committee, and we are very excited about it.

The play is set in the old days, and it is about a young man named Ben who inherits a house from his grandfather.

Ben is very excited about the house, but he soon realizes that it is not what he expected. The house is filled with ghosts and spirits, and Ben must learn to deal with them.

The play is a very enjoyable one, and we think that you will enjoy it. We hope that you will come and see it.

The freshmen smoker, the all American football hero, the band, the cheerleaders—almost everything upon which the freshman has pinned his hopes and which he imagines will answer when he is at the inflection point of his college career—will, it is a safe bet, be left behind. It is a point of transition, a point of decision, and a point of shattering dreams, the moment when the voyage that a college has been eager to embark upon all at once begins to appear as one of innumerable possibilities that may or may not be taken.

Let's get back to class.

A Salute

Congratulations to Colonel Kelley and the entire Air Force, on their success on the first and second, and third, and fourth, and fifth liberty bills. All the more reason for the people of the United States to support this war effort, and to support the men who are fighting it.

TAX DODGERS

by BOB MULCAHY

Woe be the L.T.I. senior upon graduation. With but pernicious and burdensome obligations to be discharged, and with but pernicious and burdensome obligations to be discharged, there is no wonder why he is in such a quandary. What is the cause of this onerous financial condition? All the L.T.I. student who have graduated have any obligations to be discharged, and with but pernicious and burdensome obligations to be discharged, will bitterly regret the fact that he is in such a quandary. What is the cause of this onerous financial condition?

What to do? Rights must be purchased, and taxes, too, and of course one must pay for these with the class gift to the school, which will, of course, be a tax to the school. There is no way out except to pay the tax. But what is the burden of payments? It will accomplish two purposes: to provide necessary funds, and to defray the cost of graduation and secondly one of the class officers.

Starting with the first semester of the sophomore year, students must pay taxes. And the time graduation rolls around, the costs to the individual are often frightful. This will be just a good excuse for a banquet or some similar affair. Students should not pay too much for their college education. This is not to say that they are not entitled to a good education, but simply that they should not be charged too much for it.

L.T.I. Defeats Keene and Curry In Close Contests

L.T.I.-Concluding a play that bent both the ball and the busted glass, L.T.I. junior basketball star Mike Monahan passed out to teammate Pat Carroll, who artfully shot the ball all the way, as the final shot of the 69-66 victory over Keene, New Hampshire, and defeated Curry in another tight game on Tuesday night. Carroll, who came within 42 feet of the basket, was one of four seniors who scored a total of 16 points, and was the major reason for L.T.I.'s victory.

For Curry, kept the CART team's hopes alive for the NCAA tournament. Although the team's hopes were dimmed by a 186-9 victory over New Hampshire College and one Ivy League contest, L.T.I.'s victory was a major win.

Most of the team members were outstanding the work of two film but under-publicized organizations here at L.T.I. In an opinion that any film buff might appreciate, the group has made a hit in New England, incorporating the creative talents of a large number of students. The problem which has never had a solution in the past is to make the team's efforts worthwhile, as these two teams may soon be raised to full varsity status by the Van-Dever administration.

The basketball season has all but ended, but the L.T.I. team has continued to play well. The team has won six of its last seven games, and is currently ranked second in the league. The team is looking forward to a strong finish in the upcoming tournament.

L.T.I.-On Wednesday night, February 20, the Terrier basketball team lost to Arnold College of Millford Connecticut by the score of 70-66. The game was a hard-fought contest, and was won by Arnold, led by the rebounding of Dick Lee and the set shooting of Dave Peters. The game was played at the Arnold center, Art Claxton's completely dominated second half play scoring 21 points. The

Golf Team Organized

This year's edition of the Lowell Textile Golf Team is the strongest since the beginning of the season. The team is participating in the New England College and one Ivy League contest. In total the team has recorded six victories.

Spring sports, however, have not been as successful as the golf team. The baseball team has struggled, as has the soccer team. The basketball team, on the other hand, has shown improvement. The basketball team is currently ranked second in the league and is looking forward to a strong finish in the upcoming tournament.

Tennis Team To Be Featured

L.T.I.-You wouldn't believe it with all this snow, but spring must be just around the corner. The outdoor tennis courts have been opened and the team has already begun preparing for the upcoming season. The tennis team is looking forward to a strong season, with many returning players and some new recruits.

MATCHES SET

The match of the day was the one between the Lowell Textile team and the visiting St. John's team. The L.T.I. team won the match with a score of 8-2, and the team will continue to play well throughout the season.

Sports Sidelines

The Terrier basketball team has been in the news lately, with the team's defeat to Arnold College being a major story. The team is looking forward to a strong finish in the upcoming tournament, and is working hard to improve their performance.

THE LEAVES OF TIME
Mary's life is held, in the leaves of time.
To a pattern he does not see.
While, the weaver's work is the absolute fly
To fill the leaves of eternity.

Some shadows are filled with silver threads
And some with threads of gold.
With Autumn, but the Allen Hobs
Are all that they may hold.

But the weaver watches with skillful eye
Each shuttle fly to and fro,
And sees the pattern as delicately wrought
As the long, mellow past and slow.

God surely planned the pattern.
Each thread, the dark and fair,
Is chosen by His master skill.
And placed in the web with care.

He only knows His beauty,
And guides the shuttle which holds
The threads so mercurial
As well as the threads of gold.

Not till each bough is silent,
And the shuttles cease to fly,
Shall God reveal the pattern.
And explain the reason why.

The dark threads were so needful
In the weaver's skilled hand
As the threads of gold and silver.
For the pattern which He planned

"Do you handle fly paper?"
"You," the druggist replied.
