Two Lowellites
To Receive
Their B.T.C.'s

Robert Wallace McCartney, son of Mr. and Mrs. Robert McCartney, 16 Sidney street, will be graduated on May 5 from the Lowell Textile Institute with a bachelor's degree in textile chemistry.

Mr. McCartney was on the president's list for the past four years and because of this he was elected to Tau Epsilon Sigma, the Textile scholarly honor society. He was graduated from the Meriden and Lowell high schools. While at the Institute he was a member of the American association of Textile Chemists and Colorists, the Textile Players and the Phi Pi fraternity, for which he played four years of inter-fraternity basketball. He was also placed on charge of the senior chemistry library for the past year.

Paul Francis Noonan, son of Mr. and Mrs. Peter Noonan of 45 By street, was graduated from St. Michael's school in 1934 and from Lowell high school in 1938. At Lowell high he was an officer in the brigade and also member of his graduating class of 1938. On May 5, Noonan will receive his degree of bachelor of textile chemistry at the Institute's commencement exercises at Libbey hall.

While at the Institute, Paul attained a high scholastic record and this year he was elected president of the Tau Epsilon Sigma society. He is also a member of Delta Kappa Phi fraternity and has been president of the organization for the past year.

On April 6 of this year Noonan enlisted as a flying cadet of the U. S. Army and will leave his training school in about two months.

TEXTILE PICKUPS

Glad to hear from you again, Blanche. I'll keep you informed as to what is new at the Institute.

That was a splendid letter, Roger. I'm sure your questions will be answered in a few days.

Your letter arrived yesterday, Edie. I'm pleased to hear that you are at Amherst. I appreciate your thoughtfulness.

Congratulations, Sergeant Lynn. The information is being sent to you. Have you written your address?

Sincerely,

James G. Drew.

LOWELL TEXTILE INSTITUTE

Two-Year Degree Courses In

CHEMISTRY AND TEXTILE COLORING — TEXTILE ENGINEERING

Degree of B. T. C. (Bachelor of Textile Chemistry) and B. T. E. (Bachelor of Textile Engineering) awarded for completion of prescribed two-year course.

Three-Year Diploma Courses in

COTTON MANUFACTURING, WOOL MANUFACTURING, TEXTILE DESIGNING

Descriptive and practical training in all processes of textile manufacture including all commercial phases.

Certified graduates of High Schools and Academies admitted without examination.

For catalogue address Charles H. Kene, S. B., President, Lowell, Mass.

Tex Collects
First Win in
Local Debate

(Courtesy Lowell Sun)

Breaking out in their first battledore series of the season, Lowell Textile handballers possessed the offerings of Rusty Poitras, bespectacled right-hander, for 11 aces before yesterday, as they downed New Bedford Tuesday, 15-7, for their first win of the campaign.

Paced by John McKenna and Bill Pickarks, each of whom closed a brace and triple, the Textile piled up an early advantage on the visitors and managed to stay out front all the way.

Coach "Buddy" Yarnell sent Jack McNellis, rookie right-hander, to the hill in an effort to give the visitors a lift, although he found it hard to help from Lou Valetis, who picked the first four frames. Errors on the part of his handless put McNellis in trouble on a few occasions and it was a hush run walkoff by Cappie McFadzean which led to his downfall after a pair of minutes had put two men on the sacks.

Textile rallied in the first inning on a walk, an infield out and an error while Pickarks' triple and Neesman's fly gave the Millmen four runs, and further errors in the second and fourth frames did the trick, as the visitors were three runs behind after three innings.

Two errors and McFadzean's homer gave New Bedford three runs in the sixth but the Textile lead was never threatened and the Millmen went on to win the award with a three-run contest in the seventh and second extra Innings."

In the sixth, Pickarks' homer and McFadzean's triple were the big blows of the four run inning, while errors on the part of the invaders and Valetis' single with the sacks loaded did the trick in the seventh.
The Test

The test of a man is the fight he makes, The grit that he daily shows; The way he stands on his feet and takes Fate's numerous bumps and blows. A coward can smile when there's naught to fear, When nothing his progress bars; But it takes a man to stand and cheer While the other fellow stars. + + It isn't the victory after all, But the fight a brother makes, The man who, driven against the wall, Still stands erect and takes The blows of fate with his head held high Bleeding and bruised and pale, Is the man who'll win and fate defy For he isn't afraid to fail. + + It's the hurdles you mount and the breaks you get, And the shocks your courage stands, The hour of sorrow and vain regret, For the prize that escapes your hands, That test your mettle and prove your worth. It isn't the blow you deal But the blows you take on this good old earth, That show if your stuff is real.
