May, 1837. Resolved that Dr. Pilbury be a committee to take into consideration the regulations of the Health Commissioners of the last year and report such amendments and additions as they shall think necessary and to report to the board at the next meeting.

May 8th.

At a meeting of the board voted:

1. Mr. Blodget to employ Mr. Tashley's team under Mr. Elliott.

2. The privilege of renewing the license herebefore granted to Mr. 3rd carter.

3. Re-approve Reuben Richardson's license, the same grant as voted for Cutter, his carter being labeled No. 2.

Voted that Mr. Blodget be authorized to employ Mr. Tashley's team under Mr. Elliott at 2.25 per day consisting of one horse & car and the same to be under control of this board.

Voted that the regulations of the Health Commissioners be reprinted in the paper called the Source Courrier & Lowell, as advertise for the time of Prince PS sale intentions of the first of last paper made public each week.

Voted the secretary be requested to procure 50 separate copies of the health regulations as adopted by the board printed from the type established for the new print.

Secretary.
