On motion of Mr. Morse, voted that the Physician to the Board be authorized to remove all and any persons, sick with Small Pox, from the hospital without calling a meeting of the Board, unless he deems it necessary, and that he have authority to employ some person to carry patients whom he shall order to be removed, to and from the hospital.

On motion of Mr. Morse, voted that the Physician to the Board have authority to take all necessary steps for the burial of any person who may die of Small Pox.

Voted that the Regular meetings of the Board shall be on Monday of each week from 6 o'clock to 7 o'clock in the afternoon, established in the common council Room in the city hall.

Voted that the secretary give notice in two newspapers of the meetings mentioned in the foregoing vote.

On motion of Mr. Davis, voted that Dr. John C. Green be a committee to settle with Mr. Longley for the use of his building as a Hospital, on Lafayette street, for the past year up to April 1837, and provided he shall be unable to hire said building for the ensuing or current year for the same purpose, then also for use of his to settle with Mr. Longley for such further time after the said 1837, by the first day of April 1838, as said building may be occupied, or shall be occupied, for said purpose.

Voted, that the meeting be adjourned.

April 23rd 1838

The Board met at the appointed time and place

Present: M'p's Green, Morse, Davis and Corliss

M'p's Green and Morse made the following Report:

"The committee, to whom was referred the Health Regulations for revision and alteration if necessary, have had the subject under consideration, but, as it is understood there are several important alterations now making in the Health laws relating to Small Pox, they ask leave to continue their attention to the subject until after legislature have"
