The following are the Health Regulations as altered from those of 1837 by the report of the committee made thereon, and the votes passed in accordance to said report, at the meeting of the Board held April 30th, 1838.

Section 1. Each tenement within the city, used as a dwelling house, shall be furnished with a sufficient drain under ground to carry off the waste water, and also with a privy, the vault of which shall be under ground, and be built in the manner hereinafter prescribed, and of sufficient capacity in proportion to the number of inhabitants of such tenements.

Section 2. When the Board of Health commissioners shall be satisfied that any tenement used as a dwelling house is not provided with a suitable privy, vault, and drain, or either of them as aforesaid, they may give notice in writing to the owner thereof, or his agent, or either of them to be an inhabitant of the city, or if otherwise, public notice in two newspapers printed in Lowell, requiring such owner or agent within such time as
