permission of the Health commissioners, nor in any other mode or at any other time than they shall direct and appoint. And no vault shall be opened between the first day of June and the first day of October in each year, unless the Board of Health commissioners shall order otherwise; and in such case, the owner, agent or occupant of the land wherein such vault may be, shall pay double the amount charged during any other months in the year for removing the contents of vaults or privies.

Sect. 6. Whenever it shall appear to the Board of Health commissioners that any cellar, lot or vacant land is in a state of nuisance, or so situated that it may become a nuisance, and the health of the inhabitants thereby endangered, they shall cause a notice in writing to be served upon the owner or occupant thereof, and if there should be no occupant, and the owner should not reside in the city, then they shall give public notice by advertising in two newspapers printed in the city, directing said owner or occupant to remove said nuisance or cause of nuisance, by draining, filling up, or otherwise, in the manner that may be prescribed in said notice; and in case of neglect to obey said notice, the Board of Health commissioners may cause the same to be removed by draining, filling up or otherwise, and the said owners or occupants shall defray the expense thereof.

Sect. 7. No person shall remove or carry through any street, square, lane or alley of the city, any house dirt, or offal, or animal or vegetable substance from any dwelling house, or other place, unless such person so removing the same, and the cart or other vehicle in which the same be carried, shall be licensed for that purpose by the Board of Health commissioners.

Sect. 8. No person, unless licensed by the Board of Health commissioners, shall throw or deposit, or cause to be thrown or deposited, in any street, court,
