sell, or offer for sale, any habit, cod, haddock, or mackerel, until the same shall have been cleansed of their entrails and refuse parts; and no person shall sell or deliver any fish of any kind except salmon, shad, smelts and other small fish, until the same shall have been cleansed of their entrails and refuse parts.

Sect. 12. No person shall bring into the city or have in his possession for sale within the city, any vegetables whatever (excepting green peas in their pods or green corn in their husks) which have not been previously cleaned of such parts as are not commonly used for food; and no person shall have such parts or appendages in his possession, in any place, cart or vehicle in the city, used or occupied for the sale of vegetables or other articles of food.

Sect. 14. No swine or goats shall go at large in any street, lane, alley, court, square, public place, passage way, or vacant lot in the city, nor shall any swine or goats be kept in the city, except under such regulations as the Board of Health Commissioners may from time to time impose.

Sect. 15. Any Health Commissioner may at any time, between sunrise and sunset, enter into any building, or any other place whatever within the city, for the purpose of examining into, destroying, removing or preventing any nuisance, source of filth, or cause of sickness therein, or in any cellar belonging thereunto, and if any person shall refuse to admit such officer into said building, any one of the Health Commissioners may on oath complain to the Justice of the Peace, or any other Justice of the Peace in the city, and apply for a warrant according to the statute in such case made and provided, and shall thereupon proceed in the manner provided in the laws of the Commonwealth to examine such building or other place, and to destroy, remove or prevent any nuisance, source of filth, or cause of sickness that may be found therein.

Passell April 30th 1838.

Jas. E. Passell
Commissioner.
