of the Health Commissioners, nor in any other mode, or at any other time than they shall direct or appoint; and no vault shall be opened between the first day of June and the first day of October in each year, unless the Board shall order otherwise; and in such case the owner, agent, or occupant of the land wherein such vault may be shall pay double the amount charged during any other month in the year for removing the contents of vaults or privies.

Section 6th.

In case of nuisance notice to be given

Whenever it shall appear to the Board that any cellar, lot, or vacant land is in a state of nuisance, or so situated that it may become a nuisance and the health of the inhabitants thereby endangered, they shall cause a notice in writing to be served upon the owner or occupant thereof, and if there should be no occupant, and the owner should not reside in the city, then they shall give public notice by advertising in two of the newspapers printed in the city directing said owner to remove said nuisance or cause of nuisance by draining, filling up, or otherwise, in the manner that may be prescribed in said notice, and in case of neglect to obey said notice the Board of Health may cause the same to be removed by draining, filling up, or otherwise, and the said owner or occupants shall pay the expense thereof.

Section 7th.

No person, unless licensed by the Board, shall throw to be made or deposit any dirt, effluvium, offensive or noxious matter of any kind into any street, passage, lane, public square, or vacant lot, nor shall any person cast any dead animal into any canal in the city.
