No serving or drinking before the opening hours or after the closing hours.

No serving or serving to persons under 21 years of age.

No serving to drunkards, intoxicated persons or persons known to have been intoxicated within the past six months, or to persons supported in whole or in part by public charity.

No serving to persons without charge. "NO TREATING".

No serving in pitchers.

No serving in quart bottles, unless to two or more persons.

No serving six glasses for 25¢.

No serving to women unless they are seated at tables or seated at counters equipped with stools.

No sale or service of alcoholic beverages to be taken from the premises.

Not more than one drink shall be sold or delivered to any one customer at one time.

No persons under 21 years of age shall be employed in the direct handling or selling of alcoholic beverages.

Sales to be made to members only and to guests introduced by members and to no others.

Employees selling or serving alcoholic beverages must be citizens of the United States.

No bottles or other containers of alcohol that are less than one-fifth of a gallon in size are allowed on the premises.

No bottled goods are to be exhibited in window displays.

No substitution shall be made of any alcoholic beverages of a kind or brand different from that ordered by the customer.

No adulterating said beverages so as to change their alcoholic content.

No malt beverages shall be drawn from a tap or other draughting device unless there shall plainly appear on or attached to such device in legible letters the brand or trade name of the beverages sold therefrom.

Booths and other enclosures shall be constructed so that the persons within can at any time plainly be seen by other persons in such club.
No service of alcoholic beverages shall be made to any person in a glass of any other container which has not been thoroughly cleansed and properly sterilized prior to such service.

All glasses, dishes, silverware and other utensils used in licensed places for the service of food or alcoholic beverages shall be thoroughly cleansed after service to each patron and subjected for at least five minutes to the germicidal action of clean water heated to and maintained at a minimum of 160 degrees Fahrenheit. Equally effective methods of germicidal action by the use of heat, hot water, steam or mechanical devices may be substituted. After being cleansed and sterilized, glasses, dishes, silverware and other utensils shall be packed or stored or arranged in such a manner as not to become contaminated before again being used.

An adequate supply of running hot and cold water and soap and towels, at all times readily accessible, to thoroughly cleanse the hands of persons employed in such licensed premises, must be supplied.

Licensees must provide adequate and suitable toilet facilities which shall be conveniently located and properly lighted.

The License Commission after notice to the licensee and reasonable opportunity for him to be heard by them, may declare his license forfeited, or may suspend his license for such period of time as they may deem proper, upon satisfactory proof that he has violated or permitted a violation of any condition thereof, or any law of the commonwealth.

Upon revocation, forfeiture or suspension by the licensing authorities of a license or permit granted under this chapter, the holder thereof shall forthwith deliver the same to such authorities.

No artificial decorations of any nature shall be allowed on any licensed premises unless, and until, the same receives the approval of the License Commission.

A written statement will be required from the Local Inspector of Wires that all exits on premises licensed for Dancing and Amusements be lighted on a separate lighting system and that control of this system be entirely in the hands of the licensee or an accredited representative.
